

Liberia Mission Team

After countless shots and meetings, the 2007 Liberia mission team is nearing their departure date. Leaving June 21st, the mission team will be in Liberia for two weeks. The team returns to the US on July 7th.

Liberia

The team will be teaching First Aid and HIV/AIDS workshops for our older students, staff, and parents. They will connect the generator that was shipped over on the container, lighting the All God's Children Sinkor School classrooms for the first time. They will hold pastors workshops. And, they will teach arts and crafts with our students and work with our sponsorship kids.

Though the team has set many goals, they know that just by going they will make an impact. As many of the 2007 team members are going to Liberia for the first time, please pray for them as they prepare for their trip.

The 2007 Team Members:
